

WAECO WCR 50 Compressor refrigerator

Cool value for your money: this compressor refrigerator provides well-organized storage of your travel provisions. Freezer, shelves, door racks, crispers, LED light – like in your fridge at home. The energy-efficient compressor ensures reliable cooling – powerful during the day, quieter at night time. Simply set the cooling level on the control panel inside the cabinet.

- Freezer, shelves, bottle holder, door tray, crispers – it's all there
- Powerful, energy-efficient compressor with two operating modes (Performance/Quiet)
- Flush-mounted inside the cabinet, with integrated LED light bar
- For storing fruits and vegetables at the optimal temperature
- Door panel in matte black – can be replaced to match the interior
- Dual-function door lock serves as a vent for your fridge off-season
- R600A refrigerant with an extremely low Global Warming Potential

Compressor refrigerator, 12/24 V	WAECO WCR 50
SKU	9630001975
Connection voltage	12 V / 24 V
Cooling performance	- 12°C – 7°C
Average power input	50 W
Climatic class	ST
Refrigerant	R600a
Total capacity	44 l
Frozen compartment capacity	4.4 l
Dimensions (W×H×D)	380 mm × 535 mm × 510 mm
Net weight	14 kg
Energy consumption (Tested according to IEC 62552)	0.32 kWh/24h
