|------------------------|------------|
| <b>Version:</b>        | 1          |
| <b>Date:</b>           | April 2010 |
| <b>Tools required:</b> | -          |

**A**

Using the sliding cover as a lever rotate the complete mechanism anti clockwise until the arrow points to the second dot

**B**

Take complete mechanism out and place it upside down.

**C**

Remove seal from mechanism and place new one.

**D**

For assembling mechanism follow steps in reverse.
