B = Length

Specifications

- Awning tent with a high quality canopy in a timeless design:
 - Special tent fabric: 100% polyester "Airtex"
 - One colour combination fits the different Thule awning fabric finishes
- Easy installation, user friendly:
 - Each panel has an integrated left and right door
 - Large panoramic windows can be completely removed
 - Side panels are equipped with mosquito mesh which can be closed with transparent windows
 - Permanent aeration on both sides
 - Fully modular system
- High sturdiness and extremely high stability:
 - Clamping profiles ensure mounting and connection of the side panel to the awning fabric
 - A double rubber flap attached to the mast profile ensures full sealing with the vehicle wall
 - Diagonal support between the mast and clamping profile
 - High quality zipper ensures wind tight sealing between front and side panels
- Included:
 - The tent with mounting profiles with connection pieces to the awning
 - Thule Windslip: prevents the wind from entering through the gap under the vehicle
 - Two luxury bags made from high quality polyester fabric to store the mounting profiles, the tent, pegs, pins and elastics, ...
 - 1 large bag: 20x30x120cm
 - 1 small bag: 20x20x120cm
 - Pegs, pins and elastics
 - Window tubes: to open the window
 - Manual
